Serial No.:	10/688,864	Art Unit:	1722
Filing Date:	Oct. 17, 2003	Examiner:	Song
Invention:	<b>Method and Apparatus for Crystal Growth</b>	Date:	Nov. 7, 2007

**REVISED RESPONSE C**

Dear Sir:

Pursuant to the phone conversation with the Examiner on Wednesday, November 7, 2007 and in accordance with the Examiner's suggestion, Applicant provides this revised response to correct typographical mistakes in claims 11, 59 and 68. Otherwise, this revised response is identical to the Applicant's original response dated October 23, 2007. During the phone conversation, the Examiner stated that he has not started to review Applicant's response, Applicant asks the examiner to disregard the original response and consider this revised response in its place.

**Amendment to the claims** begins on page 2 of this paper.

**Remarks** begin on page 14 of this paper.
